---

Being a cat owner, it becomes your prime duty to take proper care of the diet of your feline friend. Although cats are consummate carnivores but they also require minerals, vitamins, anti-oxidants and amino acids. These nutrients can be provided to your kitty through green grasses. Grass contains folic acid which is one of the essential vitamins for proper functioning of cat's body. There are some reliable companies that offer beneficial green and healthy grasses for your furry friend. Pet Grass is one such leading online store that offers fresh and healthy cat grass.

Pet Grass provides Whisker Greens which are delicious grasses that contain complete nutrition and minerals that your feline needs. Whisker Greens are rich in iron and thus help in the production of hemoglobin that is essential for proper circulation of oxygen in blood. Also, the pet grass provided by this online store is one of the prominent sources of natural laxative that greatly reduces the chances of ingestion in cat's body. These delish Whisker greens are rich in amino acids, antioxidants and enzymes. Also, these wheat grasses are effective in providing relief to your kitty from sore throat problems.

Whisker Greens are the best indoor dietary supplement for cats as they contain various minerals as well as carotene and chlorophyll in great amount. Also, these grasses are a healthy vegetable which do not contain any traces of allergic gluten. Thus, this pet grass do not cause any sort of allergies to your cats. A single container of these wheat grasses can be used for a period of three weeks. Also, these grasses need to be watered just for two hours till the time soil gets moist.

Pet Grass is one of the exemplary online stores that offer whisker greens, one of the major sources of essential vitamins and minerals. Placed in properly ventilated environment, Whisker Green is one of the best diets for your kitty. Pet Grass offers three containers of this wheat grass in a single pack at competitive prices.

So, if you are looking for proper diet for your cat, then whisker greens provided by Pet Grass is one of the best options.
